ABOUT OUR *Company*

Having been in the hospitality industry for 20+ years, we have seen our fair share of the good, the bad and the ugly. We have made it our mission to make the “good” better in every project we work on. With impactful interior design and thorough project management and budget analysis, we deliver both a design and procurement solution that makes for a smooth and seamless project overall.

Our team has worked on projects large and small from boutique and select service properties to full-service luxury and über luxury.

“Working with KalamaSilvas on the renovation of a Caribbean resort was a fantastic experience. They clearly understood the unique challenges of the region and navigated them with ease.
